

THE REPUBLIC UNITED OF TANZANIA INSTITUTE OF ACCOUNTANCY ARUSHA

IT BOOT CAMP ARUSHA, 27th NOVEMBER– 2nd DECEMBER, 2017

1.0 Overview

Due to the fast changing IT scenario, companies need to ensure that their employees go through quality training that provides cutting-edge knowledge, skills, and practical hands-on experience in a limited time frame. Considering time and budget constraints that most enterprises juggle with, Boot Camp has proven to be one of the most successful training formats for delivering comprehensive skills to IT professionals in the most cost & time-effective method as it focuses on teaching specific skills, tools and technologies over a limited time span in a zero-distraction environment.

Employing Boot Camp approach, IAA is expecting to hold a special ICT Boot Camp for **six days (morning to evening)** from **November 27th, 2017 to December 2nd, 2017**. The venue for the Boot Camp will be at the **Institute of Accountancy Arusha (IAA)**

The fee for the Camp is **TZS 1,500,000/=** (one million five hundred thousand only) to cover for course materials, tea/coffee, and lunch. It does not include accommodation and transport cost. Payment may be in cash, cheque or TISS paid directly to our **Bank Account No. 014103007130** in the name of **Institute of Accountancy Arusha, NBC, and Arusha Branch**.

Note: The camp will run with the minimum of 5 participants and therefore early registration is highly encouraged and appreciated. Institution/Organization that will bring 5 or more participants will reap a discount of 10%.
