

THE UNITED REPUBLIC OF TANZANIA  
INSTITUTE OF ACCOUNTANCY ARUSHA

CUSTOMIZED TRAINING (TRAIN-THE- TRAINER) FOR BUILDING INTERNAL CAPACITY ON E-LEARNING MANAGEMENT SYSTEM (MOODLE) AND HOW TO USE TURNITIN ANTI-PLAGIARISM SERVICE.

### 1) Background

Public and Private Institutions invest a huge amount of money in making sure that the society benefits from the learning materials they offer. E-learning has the potential to revolutionize the way we teach and how we learn. A great deal of progress has been made so far, but there is much more to do. E-learning can take us a further step forward. This is about embedding and exploiting technologies in everything we do, and getting ICT embedded across the curriculum for all subjects and in all pedagogies. E-learning has the power to transform the way we learn, and to bring high quality, accessible learning to everyone - so that every learner can achieve his or her full potential.

On the same basis, we, the Institute of Accountancy Arusha adopted Moodle E-learning Management System intergrated with turnitn antiplagiarism service, and we are of the opinion that the acquired knowledge need to be shared. On this basis, we have designed this training to equip teachers, lecturers and instructors with the knowledge on the management e-learning , supported by the Moodle open source platform.

### 2) Objectives

Generally, this course intend to equip participants (Training-the-trainer) with the knowledge of using the Moodle E-learning Management System intergrated with Turnitin plagiarism prevention service with the followings specific objectives of the training:-

- Setting Up a New Course*
- Preparing Modules*
